

Silicone fixing clip for Neon Flex LED

Ref. B3250

24V-DC heavy duty silicone Flex LED neon fixture. Use this small piece of silicone to attach neons to the wall or ceiling quickly and easily. It also serves as a complement to the metal clips. They are very easy to use, attach one side to the wall with a nail or screw and then adjust the rubber to the neon and hang the other side through one of the holes available for this function.
