

Remote control CCT - RF - 2.4GHz

Ref. B1600CCT

The CCT controller offers the possibility of dimming both light intensity and color temperature from warm to cool white, allowing individual or group settings. It incorporates multiple functions such as programming of scenes, predefined settings and configuration modes, etc. Its transmission range is 30 meters. It works with 2 "AAA" batteries (not included).

Product data

IP	IP20
