

LED desk lamp with 3X magnifying glass - Dimmable - CCT - 8W

Ref. L1020-B

The desk flexo lamp incorporates a 3X magnifier and a powerful integrated 8W LED light for a clear and optimal vision. It's possible to adjust the color temperature (CCT system) and also the light intensity through its touch system located on the base. Its flexible and "hands-free" design allows you to adjust the position according to your needs. It's perfect for jewelry repair, crafts, reading, sewing and detailed projects that require close vision.
