

Wooden wall sconces metal cage "RODEN".

Ref. LM133

Industrial vintage wall sconce that mixes materials such as solid wood slat, aluminum base and metal cage wire, which offer this lamp an original vintage, industrial style. When the lamp is turned on, light is emitted through the wire shade with a fascinating play of light and shadow. Exclusive for indoor use, with IP20 protection rating. The wall lamp has a flexible cable that allows you to customize the height by winding it on the wooden structure, maximum 15cm in height. It integrates an E27 socket, the bulb is not included. For indoor use only, decorate any space in restaurants, bars, stores or home rooms such as living room, bedroom, dining room, kitchen or hallway.
