

Cage wall light with switch and plug "RODEN".

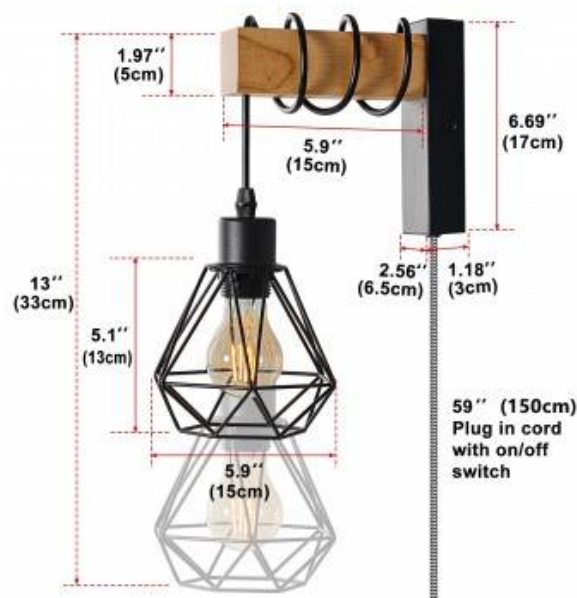

Ref. LM133-EU

Vintage wall sconces with black and white braided cable and switch. Perfect combination of vintage style, industrial and with a modern touch that adapts to any room. With high resistance materials. Designed with solid wood slat, aluminum base and metal wire cage, a unique and innovative style. Light is emitted through the wire shade creating very authentic light and shadow effects. Exclusive for indoor use, with IP20 protection rating. With E27 socket, 60W maximum power, the bulb is not included. Perfect to illuminate and decorate any indoor space in stores, restaurants, bars, or home rooms such as bedrooms, hallways or dining rooms.
