

Wooden wall light with switch and plug "MILA".

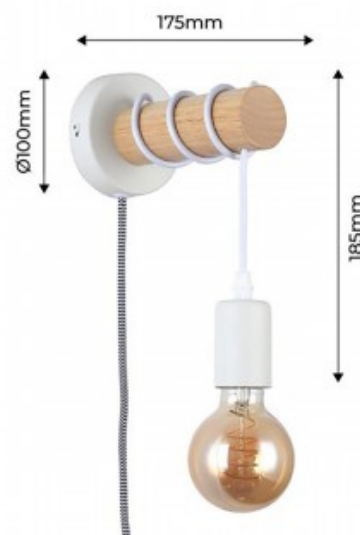

Ref. LM135-EU

Retro style wooden wall sconces. Design wall lamp with a practical braided cable, black and white color, and cable with switch to turn on and off the lamp comfortably. Made of wood and aluminum, offering a minimalist retro style for any interior room of the home or business. IP20 rated, the wall light is for indoor use only. It is mainly used for lighting corridors, bedrooms, restaurants, study rooms, cafes, hotels, etc. The cable allows customizable height by winding it into the cylindrical wooden structure. With E27 socket, E27 bulb not included. Ideal for filament bulbs offering a retro style to the lamp.
