

Dimmer SMART WIFI 250W Tuya APP - PUSH

Ref. B704-SPUSH-1

Dimmer SMART WIFI 250W Tuya APP. This LED dimmer allows us to control the light intensity through a PUSH key or through any device that supports the Tuya APP application. It is compatible with most dimmable LED lamps. It also works with halogen or electronic transformers and incandescent lighting. Thanks to the TUYA app it is possible to do wireless voice control with Alexa or Google Home.* For installation it requires a qualified professional and/or advice from our technicians.
