

"SMART Blue Skylight" LED Panel - Sky effect - Daylight - 100W - 120x30cm

Ref. B5228-BS-120X30-S

"SMART Blue Skylight" panel of 120x30cm, with advanced technology capable of accurately mimicking sunlight. In addition, through the TUYA app, it can be programmed to simulate the tones of light that occur throughout a day, from sunrise to sunset, thus accompanying the circadian rhythm. It is a product designed especially for offices, public facilities, underground spaces, and other environments where natural light is limited or unavailable. It allows recreating a bright blue sky, establishing a connection with the outdoors, and thereby enhancing the psychophysical comfort of users. **5-year warranty**

Datos del producto
