

Magnetic track 48V + suspension kit - 2 meters

Ref. CMC-200

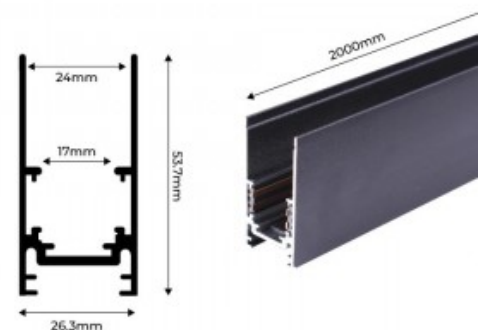

Our 20mm surface magnetic track is made of high quality aluminum and is available in black or white. It allows to place magnetic LED spotlights in a very simple way, according to the needs of each project. With the suspension kit it's possible to install this track suspended from the ceiling, allowing to adjust the height to the desired level. The pack includes: ✓ A 2 m long magnetic track. ✓ 2 steel cables 1.5 m long (height adjustable) ✓ 2 track couplers ✓ 2 roof hooks ✓ Aluminum cover to protect the free surface between luminaires. ✓ 2 end caps ✓ All accessories required for installation.
