

Japanese bamboo pendant lamp "KAIZEN".

Ref. K179

Our Japanese-inspired "KAIZEN" lamp is the ideal complement for your home. Its structure made of bamboo brings the warm and natural look of natural fibers, which adapts to any modern environment. It has a central diffuser and a shade of bamboo fibers arranged symmetrically, creating an original design that allows the light to pass harmoniously to the outside. It has three possible options for the cord and cord finial (white, black and natural rope), so you can choose the one that best combines with your environment. **E27 bulb (not included)**.
