

Kit x 4 outdoor solar spotlights with solar panel - 5W - IP66 - 3000K

Ref. SL27-BC

Kit of 4 outdoor solar spotlights with solar panel. Each spotlight has a spike that allows an easy and firm installation in the ground, lawn or pot. The solar panel is connected to each spotlight by means of a 280cm long cable (4 cables in total, one for each spotlight). The battery charges automatically during the day and has an autonomy of up to 12h. At night the lights turn on automatically. Incorporating solar energy, these luminaires are ecological, environmentally friendly, low voltage and safe. Available in warm white (3000K).

Product data

Hue	Warm white
Kelvin (K)	3000
Lumens (Lm)	90
Beam angle (°)	36
LED Type	SMD 3030
Power (W)	5
Orientable	Yes
Dimensions (mm) LxLxh	Dimensions spotlight w/spike: Ø53.3 x 369.3 x mm; solar panel: 206 x 215mm
Material	ABS
IP	IP66
Certificates	CE, ROHS
Warranty	According to legal guarantee: 2 years
Battery Type	3.7V
Charging time (h)	4.6
