

20W

Magnetic linear track light - CCT - 20W - UGR18 - Mi Light

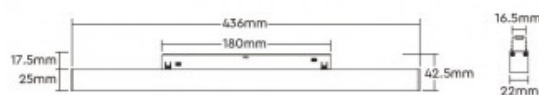

Ref. MG2-20N-RF

20W magnetic track light with opal diffuser, featuring modern design and great versatility. It's easily installed by pressing the base onto the track, without the need for tools. It allows you to control the brightness, and thanks to its CCT system, it's also possible to adjust its colour temperature. Colour, hue, brightness, and saturation control are performed via a compatible "Mi Light" remote control (not included). Its low glare index (UGR18) ensures a high level of visual comfort for users.
