

Magnetic linear track light - RGB + CCT - 24W - Mi Light

Ref. MF5-24A-RF

24W magnetic track light with opal diffuser, featuring modern design and great versatility. It's easily installed by pressing the base onto the track, without the need for tools. It offers multiple colour options thanks to its RGB system, and its CCT system allows adjusting the white temperature from warm white to cool white. Colour, hue, brightness, and saturation control are performed via a compatible "Mi Light" remote control (not included). Thanks to its wide beam angle (120°), it provides general and ambient lighting.
