

LED RGB + CCT Remote control - 8 Zones - WHITE - FUT089 - Mi Light

Ref. FUT089

The RGB + CCT remote control "Mi-Light" for 8 zones allows adjusting color, saturation, brightness, and color temperature from warm to cool white, creating the necessary groups and combinations. Its rotary wheel and touch bars ensure easy manipulation. It features fast communication speed, anti-interference system, and a transmission distance of 30 m. Available in white color, it works with 2 "AAA" batteries (not included).

Super Compatibility, 2.4G wireless transmitting

Fully compatible with RGB+CCT series, MiLight LED bulbs, floodlights and 5-in-1 controllers. Adopt 2.4GHz wireless technology, long signal transmitting, better controlling experience.

Datos del producto
