

Magnetic linear track light - CCT - 24W - Mi Light - White

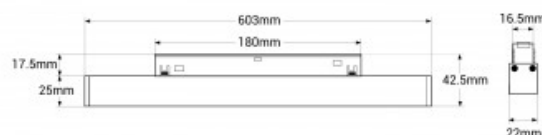

Ref. MF2-24W-RF

24W magnetic track light with opal diffuser, featuring modern design and great versatility. It's easily installed by pressing the base onto the track, without the need for tools. It allows you to control the brightness, and thanks to its CCT system, it's also possible to adjust its colour temperature. It's controlled via 'Mi Light' remote (not included). Thanks to its wide beam angle (120°), it provides general and ambient lighting. White housing.
